B&B Italia ripresenta, in una versione rinnovata, "Le Bambole" progetto degli anni '70 che ottenne un enorme successo ed il premio "Compasso d'Oro" nel 1979. Ciò che rende realmente speciali "Le Bambole" è l'apparente assenza di struttura portante; a colpire è l'estrema naturalità della loro forma, la sintesi di comfort, morbidezza

ed elasticità che il loro aspetto comunica con evidenza efficace. "Le Bambole '07", nelle versioni poltrona (Bambola), divano a due e a tre posti (Bibambola e Tribambola), e pouf in due dimensioni (Bambouff), trovano la loro espressione ideale nel tessuto jeans, nei cotone con finitura manopescata e nella pelle "crosta".

B&B Italia is now presenting, in a renewed version, "Le Bambole" an incredibly successful collection designed in the 1970s, winner of the "Compasso d'Oro" Award in 1979. What makes "Le Bambole" really special is the apparent absence of a supporting structure. The extremely natural look of the overall shape, and the message

of comfort, softness and elasticity that its appearance conveys so effectively are the characteristics that make a lasting impression. "Le Bambole '07", in the armchair model (Bambola), two-seat and three-seat sofa (Bibambola and Tribambola), and pouf in two different sizes (Bambouff), is best fitted out in denim, peached finish cottons or suede leather.
