Compact volumes and sophisticated surfaces

L'anta Rain si differenzia per le incisioni verticali disposte sulla superficie in sequenza regolare.

The Rain door stands out for the vertical incisions made across the surface in a regular sequence.

La puerta Rain se diferencia por las tallas verticales dispuestas en la superficie en una secuencia regular.

La façade Rain se différencie par sa surface aux incisions verticales disposées en séquence régulière.

Die Tür Rain zeichnet sich durch vertikale Zierrillen aus, welche die Oberfläche in regelmäßigen Abständen durchziehen.

Створка Rain характеризуется вертикальным рисунком на поверхности с регулярной последовательностью.

Gli spazi interni si possono allestire con diversi accessori che a seconda delle esigenze rispondono a precise funzioni di contenimento e permettono di sfruttare al meglio i vani anche dal punto di vista ergonomico.

The interiors can be equipped with a variety of accessories which play specific storage roles depending on the given requirements and allow the maximisation of space usage in terms of ergonomics too.

Los espacios internos se pueden equipar con diversos accesorios que cumplen funciones de almacenamiento específicas según la necesidad y permiten aprovechar al máximo los módulos incluso desde un punto de vista ergonómico.

Les volumes intérieurs peuvent être équipés avec différents accessoires pour répondre à des exigences précises de rangement et permettent de les utiliser au mieux, également du point de vue ergonomique.

Die Schränke können entsprechend der Anforderungen an den Stauraum mit entsprechendem Zubehör individuell gestaltet werden, so dass die Fächer auch aus ergonomischer Sicht optimal ausgenutzt werden können.

Внутренние поверхности могут быть оборудованы различными аксессуарами, которые в зависимости от потребностей, отвечают определенным функциям вместимости и позволяют наилучшим образом использовать пространства, в том числе с эргономической точки зрения.

LOGICA

*:il tavolo come estensione
del piano di lavoro*

The table as an extension of the worktop

Il tavolo fa parte della cucina, è progettato per svolgere le sue abituali funzioni ma anche come estensione del piano di lavoro, da utilizzare all'occorrenza.

The table is part of the kitchen; it is designed to play all its usual functions but also as an extension of the worktop, to be used when necessary.

La mesa forma parte de la cocina, desempeñando sus funciones habituales pero también como extensión de la encimera, para utilizarse cuando se necesite.

La table de la cuisine peut être utilisée pour y prendre les repas ou au besoin comme extension du plan de travail.

Der Tisch ist Teil der Küche und wurde für die gewöhnliche Nutzung als solcher entworfen. Er funktioniert aber auch als Erweiterung der Arbeitsplatte, die bei Bedarf genutzt werden kann.

Стол является составной частью кухни, предусмотрен для выполнения ее обычных функций, но также выступает в качестве удлинения рабочей поверхности, используемой при необходимости.
