DESIGN KAZUHIDE TAKAHAMA 1971

Sedia con struttura in tondino metallico piegato, elettrosaldato a induzione e cromato. Rivestimento in tessuto o vera pelle. Completamente sfoderabile.

Concepita sulla stessa seduta della Jano. Risolta con braccioli completamente imbottiti per dare un'immagine "alata" a questa comoda poltroncina dai piedi aerei.

Chair with resistance welded chrome plated steel bar frame. Fully removable covers available in fabric or real leather.

Based on the same idea as the Jano chair. Finished off with fully upholstered armrests to give a winged look to this comfortable armchair with extra light feet.

Chaise avec barres en acier plaqué soudées par résistance et chromées. Housse entièrement amovibles, disponibles en tissu ou en véritable cuir.

Inspirée du modèle Jano. Siège confortable au châssis ultra léger et à l'allure aérienne avec ses accoudoirs tapissés.
