# Michel Club

SOFAS

## Description

Michel Club nasce come evoluzione del sistema Michel. L'orientamento verso una diversa tipologia tecnica formale che ne riproporziona il rapporto tra struttura e cuscinatura rende Michel Club una proposta di design più tradizionale seppur contemporaneo. I suoi 36 elementi componibili, 5 pouf oltre ai divani lineari consentono un'ampia gamma di configurazioni. Cuscini schienali confortevoli con supporto poggiatesta e cuscini complementari di varie dimensioni permettono di offrire sedute relax o da conversazione, all'insegna del comfort e dell'eleganza. Michel Club è disponibile in un'ampia gamma di tessuti e pelli della collezione B&B Italia. L'abbinamento di texture e colori differenti consente un'ulteriore personalizzazione del sistema di sedute.
